- Main Entrance: 7.45am to 12.30pm then 1.25pm to 6pm

ACCOMMODATION / CATERING

We have a partnership with the Grand Hôtel d'Orléans which allows you to benefit from preferential rates all year round. Just mention that you are booking on the recommendation of MECANUMERIC.

Grand Hôtel d'Orléans ★★★

1 Place Stalingrad, 81000 Albi

Tel : +33 (0)5 63 54 16 56

Very well located in the centre of Albi, it will allow you to visit the historical heart of the city and to quickly access the company's premises (10 min drive).

Room + breakfast : 75 € / Room + breakfast + dinner : 85 €.

Do not hesitate to contact us for a list of other establishments in Albi and the surrounding area.

GENERAL RULES

As a visitor of MECANUMERIC, we ask you to follow and respect the rules in force within the company, especially those related to safety.

Smoking is not permitted inside the company's premises.
All our premises are accessible to people with reduced mobility.

EQUIPMENT AND FACILITIES AT YOUR DISPOSAL

During your visit at MECANUMERIC, we provide you with

- Men's or women's toilets equipped with toilets, hand-washing facilities, lounge, hand dryer, paper
- A break room including
 - 2 hot drink machines
 - 1 cold drinks and snacks dispenser
 - 1 hot or cold water fountain
- Canteens equipped with refrigerators, microwave and sinks.

SAFETY

Moving around the company

- Wear the badge you received at the reception desk when you arrived.
- Remain accompanied by the person receiving you.
- PPE must be worn:
 - Safety shoes must be worn in the workshops and the showroom
 - Ear plugs, gloves, goggles depending on the case
- Wear appropriate work clothes: avoid loose fabrics or those that are too long.
- You must use the aisles authorised for pedestrians inside the company (blue floor markings) and respect the direction of traffic.
- It is forbidden to handle electrical equipment or chemical products, to use overhead cranes, forklifts or pallet trucks without specific authorisation and/or clearance.

In the event of an accident / fire

- Posters presenting the first-aid workers (SST) are visible throughout the company, please read them on arrival
- In the premises, numerous pieces of equipment are available (see general plan for their location):
 - Defibrillator
 - Medicine cabinets
 - Fire extinguishers
